A Note from David

Paul boldly charges his protégé Timothy:

**“Do not neglect the spiritual gift within you...take pains with these things...be absorbed in them...”
(1 Timothy 4:14-15)**

There is no doubt that knowing God’s Word is very important to the work of the church! Read through the letters Paul wrote to Timothy and note the instructions fixed upon the Word of God and you will grasp how crucial those who pass on the scriptures are to Christ’s church.

At Precept we seek to serve the church faithfully by helping to recruit, train and resource men and women to lead Bible studies. Our passion is for you, Bible study leader, to use your gifts effectively in the ministry of the local church. May the tools of this catalog help you in your calling.

May the Lord use you mightily in His growing Kingdom! Don’t neglect the spiritual gift within you!

Intentionally Making Disciples

Precept was founded in 1970. Our mission is to engage people in relationship with God through knowing His Word. Our goal is to see every believer living out God's Word every day. How do we achieve that? By teaching people to study using the Precept Bible Study Method, and ideally, discuss in small groups, where our grasp on truth is solidified, iron sharpening iron, and where we articulate application to live out.

And what do we need to have dynamic discussions among Bible students? Great Bible Study Leaders with a passion for the Word and a heart to make disciples, who have speaking gifts and want to be trained to be excellent discussion leaders, who ask questions so students can verbalize what they've learned, reason the Word, and understand how to walk in it.

This catalog has hundreds of inductive Bible studies in different series for different situations, different audiences, with differing levels of workload to fulfill your ministry.
